5. Make your prezi! Use the slides at the side to navigate, and double-click on elements to change them.

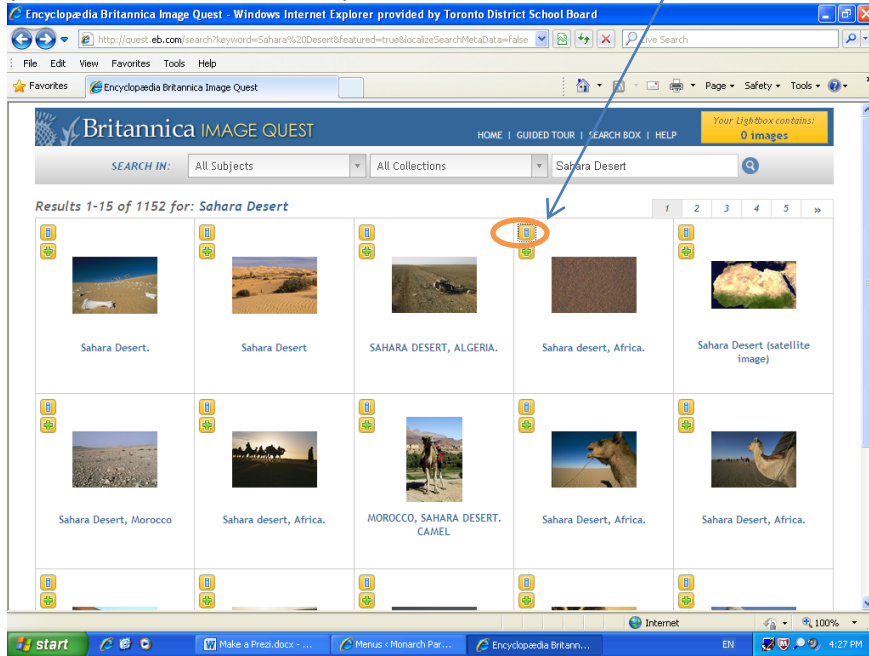

6. When you're done, click Present to see your prezi in action!

## IMAGES FROM BRITANNICA

To use images that you are allowed to use, search Britannica Image Quest at [www.mpclibrary.ca](http://www.mpclibrary.ca) > Library Resources > MPC databases > Britannica ImageQuest

When you have found your image, click on the “i” in the menu box.  
This will give you the information for the photo.

Now, select APA in the bottom right corner, and you have your citation to copy and paste on to your title page.
