Click & go

Read a brief resource description and click on a white tile to access the resource directly

1 Choose the grade range that you typically work with from the dropdown menu to see a list of Virtual Library Resources

Narrow down the list by choosing a **Resource Type** (e.g. Lesson Planning, eBooks for Educators)

2

3 You can also narrow down the list by choosing a classroom **Subject** (e.g. Science & Technology, Library Learning Commons)

Already know what you're looking for? Type the title of the resource in the **Find by Title** search box (e.g. *EduTopia*)

4

★ **TIP:** If you can't find what you need, try typing in just the first few letters

Looking for more resources?

Scroll down the page and use the Find by Grade, Resource Type, Subject table to browse all of the Virtual Library Resources for Educators.
